Guided Sea Kayak Trip

Experience the beauty and seclusion of the Marlborough Sounds with this awesome little one-day guided sea kayak trip. This tour takes in the western end of Queen Charlotte Sound with its sheltered coves, beautiful beaches, azure blue waters and lush native bush – stopping at a secluded beach for a yummy lunch. Learn about the history of the area from our knowledgeable, relaxed and friendly guides.

What makes our trip different? Well, everything really - our awesome guides who genuinely enjoy spending time with visitors to our region, our great food, great music in the van while we travel and our more relaxed approach to the route we take each day. We pick the best direction to have the breeze at our backs wherever possible - and we take you where the wildlife is whenever we can!

Guided Kayak & Day Walk on the Queen Charlotte Track

Our adventure combos are without a doubt the best way to experience the Marlborough Sounds if you only have a few days - with either our 1 Day Kayak & Walk or the 1 Day Kayak & Bike, you can experience all the iconic activities of the spectacular Queen Charlotte Sound in just one day!

Of course, we'd love you to stay longer - and you really should to truly experience the Marlborough Sounds - but if a day is all you have, then our adventure combos are the trips for you. These unique day trips combine the best of sea kayaking with walking or mountain biking on the popular Queen Charlotte Track - all completed at day's end with a boat ride back to Picton. Awesome! NB. Of the two adventure combos, the mountain biking option is the more adventurous of the two and is more suited to people who have done some biking before.
