At Birds Ferry Lodge and Ferrymans Cottage guests enjoy a stunning and peaceful environment on a 33 acre West Coast oasis with expansive views. Enjoy the sense of self-sufficiency that your hosts have created here with eggs fresh from the hen house and garden vegetables and herbs. The whiff of fresh baked bread, homemade preserves, real espresso, organic fruit and produce: breakfasts at Birds Ferry Lodge are legendary, and included in your tariff. Complete the day with superb cuisine and wines hosted at the Lodge, or delivered to the self-contained Ferryman's Cottage as a breathtaking sunset gives way to the absolute quiet of evening. Indulge in a holistic massage, soak in the outdoor spa high above a river valley cascading through native forest to the ocean. You'll sleep as never before in luxury linen, and wake to the bellbird's song and if you are very lucky a Kiwi!

Explore on your own or ask your hosts to create a personalised package including private transfer. The lodge is an ideal base from which to explore the Punakaiki Pancake Rocks, walk or cycle the Paparoa Track, Denniston Plateau or take an Underworld caving adventure.
